

The Report of Pre-32nd Session of CCNFSDU Technical Workshops

KAZUO SUEKI

Director, Scientific Information

ILSI Japan

< Summary >

The 32nd Session of CCNFSDU was held on November 1-5, 2010 at Santiago, Chile.

The following 4 kinds of technical workshops were held on October 29-31 before above mentioned CCNFSDU.

1. International Seminar: Daily Reference Values of Nutrients and Micronutrients
2. Pre-CCNFSDU technical workshop on NRVs for Nutrients Associated with Risk of Diet Related Non-communicable Diseases
3. Pre-CCNFSDU technical workshop on sodium/salt
4. Pre-CCNFSDU technical workshop on sugars

The contents of these workshops were briefly reported.
