

The Report of Pre-33rd Session of CCNFSDU Technical Workshops

KAZUO SUEKI

Director, Scientific Information

ILSI Japan

< Summary >

The Thirty Third Session of the Codex Committee on Nutrition and Foods for Special Dietary Uses (CCNFSDU) was held in Bad Soden am Taunus, Germany from 11 to 14 November 2011.

I would like to report on agenda 3-5 relating NRVs and partly introduce the WHO/FAO report <Review of existing daily vitamin and mineral intake reference values> for the agenda 3.

In the case of getting all outcomes in 33rd CCNFSDU, please refer to the report which shown in this book (Page 45) written by Mr. Hiroaki Hamano.
